Good afternoon China,

Jose Rodriguez (from CD 1) reached out to LSD to have this location addressed, however, after further review the location has been confirmed as CAL Trans property. Could you please place this location on your radar?

Good morning Jose,

Tried giving your office a few calls, but couldn't get through. Gabriel asked me to follow up with you on the Arroyo Seco Channel inquiry you sent to the UHRC a couple of days ago. After verification from Chief Wong, the HE is located on the State of California / CAL-TRANS private property, and we do not have jurisdiction to service this area.

Let me know if you have any other questions,

Thanks,
